COVER LETTER

Case no 39351 – Swedish interconnectors

With reference to Case no. 39351 Swedish Interconnectors, I hereby submit the sixteenth report in accordance with section 5 Monitoring Provisions in the Commitments as adopted and made legally binding by decision of the Commission on 14 April, 2010.

I also submit the report “Svenska kraftnät’s handling of the West Coast Corridor from April 2020”, that summarise actions taken since April 2010, current situation and plans for the future after April 2020.

Sincerely yours

Lotta Medelius-Bredhe
